I MISSED THE REVOLUTION

Bm7 *Bm+4*
The duchess and the duch, they're all out the back,
Bm7 *F#m7*
Calling pussy pussy in a room full of Cheshire cat
Bm7 *Bm+4*
Everyone's a sailor, everyone's for sail
Bm7 *F#m7*
Even the shells in the crow's nest are leaning over the rail

Em *Em7* *Em* *Em6/9*
I was thumbing you a sonnet on my finger lovin' friend
Em *Em7* *Cmaj7*
When the revolution passed me by, and it ain't comin' round again
E*7sus4* *Cmaj7*
No it ain't comin' round again

The railed paparazzi piled into the traps
And Googled their demises from a room full of Cheshire cat
Lucky little princes got their fingers on the pea
And they rubbed their prints all over it, and now no-one eats for free

Em *Em7* *Em* *Em6/9*
The birds, they were angry and climbing in their slings
Em *Em7* *Cmaj7*
When the revolution sidled up and said take me for a spin
E*7sus4*
You never know what you could win

Em *Em7* *Em* *Em6/9*
Everyone's a hero and there's a color and a size
Em *Em7* *Cmaj7*
And your face upon the tee shirt with revolution in your eyes
E*7sus4* *Cmaj7*
And a winning Cheshire smile

Bm7 *Bm+4*
Bm7 *F#m7* *Bm7*
