

LOVE LOVE LOVE LOVE LOVE

Brendan Bonsack

Am7

When they tightened the screws and dotted the lines,

B7

Pulled back the flap to let in the sunshine

Fmaj7 G Am

I felt love, love, love, love, love.

Am7

Love for the ant with the load on his back,

B7 Fmaj7

Love for the man on his bike, fish-like and perspirationalised

Am7 B7

Love for the teller with the soft, beaten smile, pressed under glass like a leaf

Fmaj G Am

I felt love, love, love, love, love.

Chorus

G7 C Dm7-5

Ooooooh, the light is so bright, everything is alight,

G7 G

But I think I'm alright

Love for the runners of kites with their strings,

Fishing in a sea upside-down,

Love, love, love, love, love.

Love for the star that sears my neck,

Stubborn as a haiku,

Love, love, love, love, love.

E7 Dm7-5 C

Leaves fall down, leaves are brown and gray -

Fmaj7

Have love for the leaves.

E7 Dm7-5 C

River flows down, bubbles chatter madly -

D7

So much noise!

{instrumental vs 1.} {Chorus}

When they tightened the day around my starry nights

And joined all those specks the lines that were left spelled love, love, love, love, love.

Love for the egg with her infinite cracks, love for the spoon - the promises it makes

Love, love, love, love, love.

Love, love, love, love, love.

Love, love, love, love, love.

Love, love, love, love, love.
