

TWIST

Am *Ddim/C*
Are my eyes too open, in the wrong direction?
C *C7*
Are my wounds too token, am I not forgiven?
Am7 *D7* *C*
I've had this meat inside my belly since before that I was born.

Chorus

Am *Ddim/C*
Shake me, make me, gently break me
Am *Ddim/C*
Fluid fingers overtake me
C *E* *F* *Fm*
Lift me, fly me, oh I cry - Me oh my methinks that I can
Am *Ddim/C*
Hear you rattling deep inside me,
Am *Ddim/C*
hypodermis saintly find me,
C *E*
Blood beneath your leaves
F *Am*
I'm just another twist in your tree.

Am *Ddim/C*
Angels in crushed velour, lose a day upon the hour
Am *Ddim/C*
A piece of string for ev'ry star
Am *Ddim/C*
Our stellar gallows tease the ground
Am *Ddim/C*
Why is your head shaking? Why are your hearts breaking?
C *C7*
I am only half-awake and half of me is dream

{Chorus}
